ABOUT FPINNOVATIONS

FPInnovations is a private not-for-profit organization that specializes in the creation of solutions in support of the Canadian forest sector's global competitiveness. It is ideally positioned to perform state-of-the-art research, develop advanced technologies, and deliver innovative solutions to complex problems for every area of the sector's value chain, from forest operations to consumer and industrial products.

The selected candidate will be responsible for a full portfolio of projects as well as a team of 15 scientific and technical employees to carry out research programs and projects. This person will develop an operational culture within the team that encompasses innovation, collaboration, safety, financial accountability, efficient use of resources and timely completion of research projects and contracts. This person will report to the Senior Director of the Innovation Center of Excellence (ICE) and will work closely with other managers.

RESPONSIBILITIES

- Develop and participate in project proposals and meet all reporting requirements in a timely manner.
- Develop and effectively manage program cost budgets and ensure that projects are completed within budget.
- Contribute to the ICE's strategic and research orientations under the guidance of the Senior Director.
- Provide guidance, mentoring and developmental opportunities to staff members.
- Manage team performance through goal setting, talent management, etc.
- Promote and enforce health and safety practices in a responsible and proactive manner and ensure compliance with all relevant safety standards.

QUALIFICATIONS & SKILLS

- Bachelor's degree in Engineering or Science, Master's degree (an asset)
- More than 10 years of relevant experience in at least one of the team's fields of activity under the selected candidate's management, i.e. roads, infrastructure and transportation
- Ability to direct high caliber work teams and act as a mentor
- Good project management skills, on time and within budget
- Good problem-solving, negotiation and consensus building skills
- Ability to motivate and inspire a team
- Fluency in English and French, both written and spoken
- Team player
- Fluency in English and French (written and spoken)

FPInnovations respects equal opportunities in employment.

IMPORTANT: Please indicate reference no. **731** on the subject line.
